2023 Keynote Speaker: Lola Dada-Olley

Lola Dada-Olley is an attorney and the founder of the Not Your Mama's Autism (NYMA) Podcast. NYMA tells her family's journey into autism through a multigenerational and multicultural lens. In the 1980s, her baby brother was given a then little known diagnosis called autism that changed her family's trajectory, setting her on a course to advocacy for her own children.
