

# Exploring Care Mapping

An in-person workshop for families of children and youth with special health care needs and disabilities.

Registration: <https://go.wisc.edu/761xb2>

When: Saturday, November 4, 9:30am-10:30am

Where: Portage Public Library (Children's Program Room)  
253 W. Edgewater St., Portage, WI 53901

A hands-on opportunity to create a Care Map of your family's strengths. A Care Map is a visual way to show all the people and services involved in caring for and supporting your child. Wrap up the session by tying things missing in your family's Care Map to what is available in your local area. Hand-outs and materials will be provided.

If you have trouble with the online registration, prefer to register by phone, or have any questions, please contact Sonja at 608-265-8955. We will try to honor any language or disability accommodations received at least two weeks in advance.

Offered in partnership with:
