INTRODUCING
Troney Small &
Dr. Ricardo
Anderson
AS KEYNOTES
The Influence and Effect of
SMALL’s Engagements

Troney will engage participants in a personal expressive talk about his family’s journey. Connections with families allow relationships to thrive to create a pathway that is eased for children to reach their full potential. Understanding and respect of each family’s dynamics, beliefs, values and priorities show a genuine effort to work together to achieve goals. He will also discuss “Adultification” and how to strengthen partnership with families for student success for all.
