**Monday, April 6, 6:00pm - 7:30pm: Virtual Session**  
**What's After High School?**

This session is a broad overview of the transition to adult life for youth with disabilities and special health care needs. Learn about the role of schools, employment, long-term support, supported decision-making and how youth can be fully engaged in their community.

The **Nurture Network** is inclusive of all moms from southeast Wisconsin who have high-support needs kids, including kids with developmental and intellectual disabilities, medically complex kids, and those who are neurodivergent.
