

Independent Living Postsecondary Goal IEP Team Decision Assistance Form

This form is designed to help the IEP team decide if a student needs a postsecondary goal in the area of independent living. *Independent living includes the skills and knowledge an individual needs to direct his or her life at home and in the community.* Transition assessment information should be taken into account when completing this form and additional assessment may be necessary to adequately identify goal(s).

Review each statement, and consider whether the student possesses the identified skills.

Yes – performs independently and consistently

No – performs inconsistently or not at all; consider an independent living goal

NA – not an area of independence being considered at this time

If “No” was answered for any of the skills identified above, a postsecondary goal should be considered for the area of independent living. The discussion questions below help further identify an appropriate goal.

Independent living goal(s) needed at this time? ☐ Yes ☐ No

Is additional assessment information needed in the area of independent living? Why?

What are the 3 most important independent living skills to be addressed in IEP?

- 1.
- 2.
- 3.

How can we work on these particular skills throughout this coming year (i.e., instruction, related services, post-school living objectives, daily living skills, and/or functional vocational evaluation)?

What annual IEP goal(s) will enable the student to meet the postsecondary independent living goal?
